Honesty Statement

An intensive pre-employment review may appear intrusive and even embarrassing: however, the inquiries that are made are either pursuant to law or otherwise job-relevant in nature. Background investigators, who will review your application, do not make inquiries into areas of a person's background that have no legitimate bearing on their suitability for the position of public trust, for which you have applied

Fundamental to this process is your integrity and trustworthiness. The number one reason individuals "fail" pre-employment reviews is because they attempt to withhold job-relevant information from the prospective employer. Any attempt to do so will undoubtedly be quickly discovered, and it will unquestionably result in your disqualification from further consideration.

Quibbling, hair-splitting, or out-and-out untruthfulness, for the purpose of concealing relevant information, will not be tolerated. Deliberate deception of any type will disqualify you. There are no "perfect" applicants: indeed, there are no "perfect" people. The Jasper County Sheriff's Office evaluates issues in your past, both positive and negative, for the impact on your qualifications for this position. However, if you attempt to withhold information from us, we have no other option but to assume you are attempting to obtain this position by means of deception and you will be disqualified.

I attest that all of the statements made by me in this background questionnaire and the documents that I have submitted are true, complete, and correct to the best of my knowledge and belief, and are made in good faith. I understand that any false statements made with the intent to commit fraud, any fraudulent conduct, or any attempted deception by me or by others with my knowledge, approval or support, in any application, paper or document submitted, shall bar me from further examinations: or omissions of any information from this questionnaire may be cause for my rejection, removal from any eligibility list, or dismissal if employed.

I fully understood the questions in this background questionnaire and what was being inquired of me throughout this questionnaire. I further acknowledge the discovery of any omissions or discrepancies may be grounds for dismissal from the Jasper County Sheriff's Office hiring process.

Certification by Applicant

My signature below attests to the fact that I have read this form carefully and I understand that any attempt to be deceptive whatsoever, whether by omission or commission, to withhold job-relevant information from the Jasper County Sheriff's Office may result in my disqualification.
