

-SCAM ALERT-

If you have been contacted by someone claiming to be from the Jasper County Sheriff's Office notifying you that you have a warrant for your arrest; it is a SCAM. The caller will ultimately tell you to go get pre-paid cards to pay the bail. This is a SCAM. We never ask anyone to get a pre-paid credit card or to pay for a warrant or fine over the phone.

Please help us spread this message by contacting your family and friends to let them know about this.
