Bidders are encouraged to bid all components and services listed and certify that they are capable of successfully meeting the specifications and requirements. **The Jasper County Sheriff's Office reserves the right to make a single award, multiple awards, adjust quantities either up or down, or make no award on an item by item basis as determined to be in the best interests of the Sheriff's Office based on the available funding. Please include in your bid any quantity pricing discounts or other pricing considerations. Any resultant purchase agreement or contract pricing shall be valid for a term of one (1) calendar year and allow for subsequent purchases beyond any initial quantity during that year, including an option to renew the resultant contract for an additional year.**

1.3 Interpretation of Specifications

If a bidder has any questions which arise concerning the true meaning or intent of the specifications or any part thereof, or believes that any part of this Invitation to Bid is unfairly restrictive, he shall request in writing, at least ten (10) calendar days prior to the date fixed for the bid opening, that an interpretation be made and an addendum be issued by the County, which shall then be delivered to all bidders of record. All addenda issued shall become part of the contract documents. Failure to have requested an addendum covering any questions affecting the interpretation of the specifications shall not relieve the Contractor from delivering the completed project in accordance with the intent of the specifications. The County will not be responsible for any explanation or interpretation of specifications not specifically included in an addendum. Failure to acknowledge in the bid all addenda issued may constitute grounds for rejection of that bid.

1.4 Qualifications of Bidders

The County may make such investigations as deemed necessary to determine the ability of the bidder to perform the work and the bidder shall furnish to the County all such information and data for this purpose as the County may request. The County reserves the right to reject any bid if the evidence submitted by the bidder or investigation of such bidder fails to satisfy the County that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein.
